

Group Tour Policy

Thank you for considering the National Atomic Testing Museum for your group tour. We look forward to having you visit. Please also complete our separate Group Tour Request Form, and ensure all fields are completed.

Please **allow a minimum of one hour** for your visit to the museum— *approximately 15 minutes for the introduction and 45 minutes for the tour, as well as time for a stop in the museum store.* (We cannot guarantee a tour guide due to the varying number of docents and volunteers; however, we make every attempt to schedule one for your group). Groups must arrive **no later than 3 p.m.** to allow time for the tour.

PLEASE NOTE: Group tours and discounted rates apply to our permanent exhibit space only. Our changing exhibit gallery is not included; please inquire about the additional cost for adding this to your visit.

Dates: Group Tours may be scheduled Monday through Friday between the hours of 10:00 AM and 3:00 PM.

Payment: Payment can be made in advance by mailing a check or in person on the day of your tour.

Cancellation: Please give a 3-day advance notice if canceling.

Museum Store: Don't forget to allow time to visit our museum store following your tour, where you will find unique items and memorabilia for every budget.

Group Pricing: \$16 per person for adult groups. \$6 per person for student field trip groups. Groups must have a minimum of 10 people to qualify for the group rate; we can accommodate a maximum of 40 people per group. **If less than 10 people show up for the group tour, normal admission rates will apply.**
