MAKING YOUR IMPRESSION ON THE HISTORY WALK

You’re invited to make a lasting impression on the history of America’s nuclear development program by becoming a part of the National Atomic Testing Museum’s History Walk. This is an exciting opportunity to commemorate American nuclear workforce employees, defense and civil service employee, businesses, and all other interested parties.

The History Walk is prominently located adjacent to the museum entrance and will bring long-term recognition to those who are named.

- A perfect way to make a personal statement, say thank you, or to honor friends or businesses
- A concrete way to support National Test Site Historical Foundation (NTSHF) educational programs

Purchase a personalized engraved brick for the walkway and become part of American history. Bricks are available in three sizes:
